Baseball Training Area

Thursday, February 18, 2021

To become better, we need better attendance at our training sessions.

If you cannot attend the training sessions-meetings, you will need to contact Isaac Fuller and let him know why you must miss. Isaac can be reached at ifuller55@yahoo.com. Isaac will keep attendance records for all meetings. Your schedule (game assignments) will reflect your attendance at the training sessions-meetings.

Training sessions:

All baseball umpires should be receiving emails from **Isaac Fuller**. If you are not receiving his messages, please contact him at ifuller55@yahoo.com or 239-537-2830

All changes to the schedule and notices will be sent via email.

Here are a list of Videos that have been created by Jeff Tenbarge to better help the management of games throughout the season.
